Education

University of Sindh

Jamshoro, Bachelor of Science

Bachelor of Science in Chemistry. CGPA 3.16

December 2025

Relevant Coursework: Advanced Chromatography, Atomic and Molecular Spectroscopy, Electrochemical Methods, Thermal Method and the Automation in Analysis.

Class Representative (CR).

Govt: Muslim Science College Hyderabad

Jamshoro, F.Sc (Pre-Medical)

Grade: C, Percentage: 53.72%

May 2020

Maria Millenium high School Jamshoro

Jamshoro, Matriculation (Science)

Grade: B, Percentage: 68.70%

April 2018

Experience

Area Engineer (Hydrogen Peroxide plant)

Engro polymers and Chemicals Ltd

- Responsible for the safe and efficient operation of the assigned plant area while ensuring optimum process performance.
- Ensure strict compliance with process safety management (PSM) principles and all plant safety regulations.
- Maintain full compliance with group lockout/tagout/tryout/testout (LOTOTOTO) procedures to insure the safe isolation of equipment during maintenance activities.
- Ensure strict adherence to the permit-to-work (PTW) systems and all company safety procedures.
- Monitor process parameters troubleshoot operational issues, and implement corrective actions when required.
- Promote a strong safety culture by complying with emergency response procedures, hazard identification, and risk assessment practices.
- Certified in process safety management (PSM)
- Certified in permit-to-work (PTW) systems.
- Certified fire watcher.
- Certified standby Man (SBM)

Rockford Cambridge School

Chemistry Teacher

May 2025- Present

An educational institution focused on providing quality education

- Demonstrated effective instructional techniques in chemistry.
- Developed and implemented lesson plans aligned with curriculum standards.

Internee:

Pakistan council of Scientific and industrial research PCSIR June/2025-July/2025

A research organization focused on scientific and industrial research.

- Gained hands-on experience in paper, water pesticide and waste water testing labs

Water and waste water Laboratory

Gained practical experience in water and wastewater quality analysis for safe drinking and environmental monitoring, including testing of pH, turbidity, TDS, hardness, and nitrate using standard methods such as UV spectroscopy. Also performed wastewater analysis using BOD₅ and COD to assess organic pollution levels and evaluate biodegradable and non-biodegradable contaminant loads in accordance with laboratory quality practices.

Pesticide laboratory:

Gained practical experience in pesticide residue analysis during internship in a pesticide laboratory, with hands-on training in sample extraction, clean-up, and concentration techniques using MgSO₄, PSA, and solvent systems. Performed sample preparation for GC analysis.

Chemistry teacher:

The petals Academy Jamshoro March/2023 - April/2025

- An Educational institution focused on providing quality education

Internee:

Archroma Pakistan limited July/2024 - Aug/2024

A global leader in colors and Specially chemicals

- Assisted in Laboratory Work related to chemical analysis and production

Chemistry teacher:

Teaching Chemistry at Career building Academy (CBA) since January 2023 to students from Class 9 to Class 12. Planning and delivering lectures in accordance with the Sindh Textbook Board syllabus. Additionally, preparing assignments and tests, and assisting students with exam preparation. Furthermore, I am capable of teaching Chemistry for all boards, including the Cambridge examination system.

Certifications

Introduction to molecular spectroscopy

Universutry of Manchester 1824

July-27,2025

Materials Data sciences and informatics

Georgia institute of technology

July 31,2025

Introduction to process safety and Risk Analysis.

University of California, Davis and offered through Coursera

Aug 7,2025

Enviromental Management & Ethics.

Technical university of Denmark

Aug,17,2025

Skills & Languages

Technical: Diploma in information technology (DIT)

Language: Sindhi (Native), Urdu (Fluent), English (Professional Working Proficiency-B2 level).
